

Ana Pecarski: "I always re-learn how very precious support is"

Introduce yourself and your job

I am a youth worker, trainer and learner.

What makes your job exciting?

My job is exciting because I get to meet exquisite people and hear their stories, design and re-design programs and educational paths, support learning and personal growth, and never stop learning myself.

What are your dreams as a youth worker?

My dream? Quality value-oriented youth work program for every young person.

Why did you choose youth work?

I am not exactly sure if I have chosen youth work or youth work chose me, but it was love at first sight and we've been in love ever since. Like every relationship, has its ups and downs, but it is definitely worth the effort.

What is your most memorable experience as a youth worker?

My most memorable experiences (very aware that it is a cliché in youth work) is meeting a young person who had been involved in the program after a few years and reflecting back. Always so precious, emotional and rewarding.

How has your job effected you and what have you learned?

I always learn and re-learn how very precious support is.
